**Need for labour reforms**

551. SHRI C.M. IBRAHIM: Will the Minister of LABOUR be pleased to state:

(a) whether the Prime Minister, at the meeting of the Council of Trade and Industry held in New Delhi on September 7, 2001, stressed on the need for speedy labour reforms;

(b) if so, the objectives contemplated for such labour reforms and in what precise context and background these observations were made; and

(c) the steps taken in this direction?

THE MINISTER OF STATE IN THE MINISTRY OF LABOUR (SHRI MUNI LALL): (a) and (b) In the context of legislative actions required for the economic reforms, the Hon'ble Prime Minister at the meeting of the Council on Trade and Industry held on 7th September, 2001 assured initiation of labour

reforms which were in the interest of large-scale employment generation. He, however, dispelled the notion that these reforms would be at the cost of labour.

(c) Review / updation of labour laws is a continuous process in order to make them in tune with the prevailing situtation and emerging needs so as to bring them in tune with the market oriented economy giving the domestic industry a level playing field to face the global competition. The Second National Commission on Labour, set by the Government, would *inter-alia* take into account the emerging economic environment involving rapid technological changes, globalisation of economy, liberalization of trade and industry, emphasis on international competitiveness and also the need for brining the existing laws in tune with the future labour market needs and demands. The report of the Commission is expected by 15.02.2002.
